

## 2025 TSR RACE CALENDAR

The 2025 race selection is based on the following criteria:

- The race appears on some online swimrun race calendar for 2025 (calendar year)
- The race offers at least one course longer than 20km
- The race offers a duo race, only the duo results (women, men and mixed) will be accounted
- If there are 2 or more courses offered during the same weekend, only the results of the most attended race will be integrated in the ranking
- There are no limit to the number of races per country
- This calendar is preliminary, it might change along the year, races get cancelled, some others added
- Please let us know [tsr@tsr-swimrun.com](mailto:tsr@tsr-swimrun.com) if a race is unfairly missing on the list

The results of the following races will be added to the TSR rankings in 2025.
